

University of Connecticut, Bachelor of General Studies

Arts and Humanities Theme

This theme offers you the opportunity to study and understand the artistic, cultural and historical process of humanity. Select five courses at the 2000 level or above from three different departments listed below that are related to your area of interest. This theme is completed with a capstone course experience, which provides you with an opportunity to integrate the concepts and knowledge learned in the selected courses. BGS students must satisfy all University of Connecticut General Education requirements and earn a minimum of 120 total credits for degree completion.
