

University of Connecticut, Bachelor of General Studies

Society and Justice Theme

This theme offers you the opportunity to make connections among the concepts from justice, law and society, history, sociology, and criminology. From the list below select five courses from three different departments that are related to your area of interest. This theme is completed with a capstone course experience, which provides you with an opportunity to integrate the concepts and knowledge learned in the selected courses. BGS students must satisfy all University of Connecticut General Education requirements and earn a minimum of 120 total credits for degree completion.
